

## CURRICULUM VITAE

**Name:** Benjamin P. Chapman  
**Address:** University of Rochester Medical Center  
Department of Psychiatry 1-0910  
300 Crittenden Boulevard  
Rochester, New York, 14642  
**Phone:** 585-275-9431  
**E-Mail:** Ben\_Chapman@URMC.Rochester.edu

### EDUCATION:

M.S.: Biostatistics. University of Rochester School of Medicine and Dentistry, Department of Biostatistics and Computational Biology, Anticipated December 2011.  
M.P.H: Generalist (Epidemiology).University of Rochester School of Medicine and Dentistry, Department of Community and Preventive Medicine, August, 2010.  
Ph.D.: Psychology (Counseling), University of North Texas Department of Psychology, 2005; Minor: Personality and Psychotherapy  
M.S.: Psychology, University of North Texas Department of Psychology, 2002  
B.A.: Psychology, Illinois Wesleyan University, 1997

### PROFESSIONAL POSITIONS:

Assistant Professor (Research), University of Rochester Medical Center, Department of Psychiatry, September 2008-present  
National Research Service Award Post-Doctoral Fellowship, University of Rochester Medical Center, Department of Psychiatry, Laboratory of Personality and Development, September 2005-2008.

### HONORS AND AWARDS:

- NIH Workgroup Member, Personality and Healthy Aging, 2010
- Nominee, American Psychological Early Career Development Award (Personality), 2010
- Outstanding Review Award, *Medical Care*, 2008
- University of North Texas Graduate Council Dissertation Award for Research Achievement in the Social Sciences. March, 2006
- Psychology Department nominee, APA Dissertation Research Award. August, 2005.
- Psychology Department nominee, Sage Publications National Counseling Psychology Student of the Year. April, 2004.
- Ellen Ladenberger Award for Outstanding Graduate Student in the Psychology Department. April, 2004.
- Kappa Kappa Gamma Outstanding Undergraduate Instructor Recognition. May, 2003.
- Ellen Ladenberger Award for Outstanding Graduate Student in the Psychology Department. April, 2003.
- University of North Texas General Scholarship. 2000-2002
- Toulouse Master's Scholarship. 1998-1999.
- Illinois Wesleyan University Cum Laude. May, 1997.
- Illinois Wesleyan University Research Honors. May, 1997.

- Psi-Chi President. 1996-1997.
- Psi-Chi Inductee. April, 1995.
- Illinois Wesleyan University Dean's List. Spring 1994-spring 1997.

#### **FUNDING APPLICATIONS:**

##### **Funded**

**L30AG031021** *NIH Clinical Research Loan Repayment Program*. Dates: August 2007 – August 2009. Role: Principal Investigator. Renewal September 2009 – September 2011. Second Renewal Under Review.

**K08AG031328** *Linking Personality and SES Influences on Lifespan Health*. Dates: September 2008 – September 2013. Role: Principal Investigator.

**R03AG033296**: *Personality and Health Service Utilization in Older Adults*. PI: Bruce Friedman, PhD. Role: Co-Investigator.

##### **Awaiting Resubmission**

**R01CA149440**: Explaining Variation in the Number of Potential Diagnoses from Vague and Ambiguous Information. PI: Peter Veazie, PhD. Role: Co-Investigator.

**R01AG039675**: A Mindfulness-Based Stress Reduction Intervention for Immune Outcomes in Female Trauma Victims. PI: Nancy Talbot, PhD. Role: Co-Investigator.

**R01AG0200048**: Personality and Health-A Longitudinal Study. PI: Sarah Hampson, PhD. Role: Consultant.

##### **Under Initial Review**

**R01**: Biobehavioral Determinants of Adherence in the Elderly: The ASPEREE Trial. PI: Hillary Tindle, MD, MPH. Role: Consultant

**R15**: Mindfulness-Based Stress Reduction for Health Professional Students. PI: Peter Barbosa, PhD. Role: Consultant

##### **To be submitted February, 2011**

**R01**: Personality and Epidemiologic Research on Inequalities in Longevity. Role: PI.

#### **CURRENT DATA COLLECTION:**

*Personality and Social Circumstances in Primary Care Follow-Up Study*. This is a pilot study conducted under the auspices of the Rochester Center for Mind-Body Research (R21 AG023956, J. Moynihan, PI, P. Duberstein, Co-PIs). The study is designed to conduct 2-3 year follow-up assessments on a cohort of urban primary care patients age 40 and older, examining how personality influences medical illness accumulation and inflammatory cytokines longitudinally, and how personality changes as a result of accumulating illness. Role: PI.

#### **PUBLICATIONS:**

**2010**
